“The Leading Nutrition Food for the Ages seminar was excellent - lots of practical advice and new ideas!”

Michelle Baker
National Hospitality Manager - Regis Group

Here is what other attendees have said about our Food for the Ages seminars:

“Clear, simple, practical!”

“I really enjoyed bouncing ideas off other participants”

“Very informative, very interesting. I enjoyed the two days!”

NUTRITION SEMINAR FOR AGED CARE

Up-skill your staff in the latest nutrition research and ideas! Includes presentations and hands-on learning activities by two expert Dietitians.

Topics to be covered:

- Nutrition for the older person
- Understanding lifestyle diseases and how to manage diabetes in aged care
- Catering for food allergies, intolerances and coeliac disease
- Dysphagia and texture modified foods and fluids
- Malnutrition, nutrition supplements and high protein high energy diets
- Planning a nutritious menu

Seminar participants will leave inspired to achieve great nutrition outcomes for your residents, confident to try new things and to make positive changes.

Who will benefit:

- Food service managers, chefs, cooks
- PCAs and food service assistants
- RNs & DONs

7 Reasons why you shouldn't miss the seminar:

- 2 days of interesting content
- Presented by two aged care expert Dietitians
- Interactive style with lots of hands-on exercises
- Great networking opportunity with other participants
- Displays and demonstrations
- Great catering provided for you
- Free parking
